To: BOROUGH OF VANDERGRIFT ATTN: SECRETARY
109 GRANT AVENUE
VANDERGRIFT, PA 15690

Gentlemen:

A bid has been received by the Westmoreland County Tax Claim Bureau to purchase a property in your taxing district that is presently in the Unsold Property Repository pursuant to Section 627 of the Real Estate Tax Sale Act (72 P.S. 627).

Section 627 requires the written consent of each taxing district where the property is located prior to the sale. No taxing district may unreasonably withhold its consent to the sale of the property.

The information concerning the proposed sale is as follows:

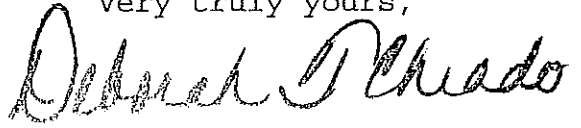

- Tax Map No: 37-01-09-0-416
- Property Address: 912 WALLACE STREET (VANDERGRIFT BORO)
- Property Owner: JOHN ANDREWS
- Amount of Bid: \$1,281.00

Please bear in mind that a property is placed in the Repository after it has been exposed to the annual public sale and at least one judicial sale proceedings. Most often, the reason that the property has not been sold is because the amount of the delinquent taxes and judgments of record far exceed the market value of the property. In addition, as long as the property is held in the Repository, it does not generate any real estate taxes.

Accordingly, please take action at your public meeting with regard to this request for consent. Please indicate your consent by countersigning this letter and returning it to this office within 40 days. We must have written consent in order to proceed to place this property back on the tax rolls and for your district to receive tax dollars.

Mission Statement

The Vandergrift Improvement Program's (VIP) mission is to protect, preserve and restore the historic commercial district and improve the quality of life in Vandergrift.

May 3, 2018

Dear Vandergrift Council,

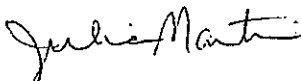

In 2012 Vandergrift Improvement Program used grant money received from Representative Petrarca and Senator Ferlo to make improvements to an empty lot owned by the Boro across from the Post Office on Farragut Avenue. It changed the space from a scruffy looking lot to a nicely landscaped park with picnic tables and benches that is well used by local residents.

In the fall of 2017 an Eagle Scout Project was done in the park. Brick pads were made under the picnic tables and benches to help make the area under them look neater and mowing in the park easier. A kiosk was added to post information about up-coming events. Trees and shrubs were trimmed, beds weeded and re-mulched.

The VIP would like to hold a long overdue dedication ceremony for the improved space and, with Councils permission, name it 'Olmstead Memorial Park'. The name was chosen in recognition of Olmstead's original design for Vandergrift that included green spaces for the town's people to enjoy. And dedicate it in memory of and in honor of those with a vision of a revitalized Vandergrift.

If approved by Council, we would like to hold the dedication in the park on Memorial Day following the Veteran's ceremony at the Casino Theatre and invite all of Council to attend.

Sincerely,

Julia Martin
Chairwoman, VIP Inc.

MOTION

I seek a motion to amend the prior motion of Council which granted to the Vandergrift #1 Fire Department the authorization to use Kennedy Park for the fireman's carnival. The amendment would reduce the requirement of the Vandergrift #1 Fire Department to provide a \$10,000.00 cash bond for field damage from \$10,000.00 to \$5,000.00, subject further to the understanding that Buildings and Grounds Committee through its Chairman or designated representative will meet with the firemen, photograph the condition of the field prior to the entry of the carnival and also following the exit of the carnival to compare the condition of the field and to assess any damage thereafter. The Borough of Vandergrift will then accurately define costs associated with the repair and remediation of the field, said costs to include, but not be limited to, repairs, costs of soil, seed, labor, equipment and other factors as deemed necessary and appropriate by the Borough of Vandergrift after discussion of the same directly with Vandergrift #1 Fire Department's representatives. The costs of the damage must be related solely to the carnival and the use of the field during the carnival and cannot be related to any other expenditures associated with the field or the park.

It should be noted that the firemen agree that the \$5,000.00 may be held in a non-interest bearing account by the Borough of Vandergrift given the fact that the carnival is right around the corner and that the funds will either be utilized or released shortly after the carnival has ended.
